My Documents Megan McDowell Alejandro Zambra

Named a best book of 2015 by NPR, *The Boston Globe*, and *Electric Literature*.

My Documents is the latest work from Alejandro Zambra, the award-winning Chilean writer whose first novel was heralded as the dawn of a new era in Chilean literature, and described by Junot Díaz as “a total knockout.” Now, in his first short story collection, Zambra gives us eleven stories of liars and ghosts, armed bandits and young lovers—brilliant portraits of life in Chile before and after Pinochet. The cumulative effect is that of a novel—or of eleven brief novels, intimate and uncanny, archived until now in a desktop folder innocuously called “*My Documents*.” Zambra’s remarkable vision and erudition is on full display here; this book offers clear evidence of a sublimely talented writer working at the height of his powers.
